

New in The RFID Shop

January 2019

**We are looking forward to an exciting
2019.**

We offer an extensive range of the latest RFID technology by leading RFID providers, including antennas, readers and tags.

New products are added continuously to our website.

Our suppliers include the most innovative and pioneering RFID technology companies.

We have recently extended our CAEN UHF RFID reader range.

Our HID tag range is continuously extended as new products are released.

And the latest IDESCO Access readers are now available via our shop website.
